MOBILE UNITS AND FACILITIES

We manufacture and sell construction facilities/offices, learning centres/facilities, housing/accommodation, unique building structures and integrated/joined (modular) units.

Our clients range from construction, mining, agricultural industries, government and the private sector we have been involved in large contracts but we are phenomenal at handling the smallest requirement you might have.

We do not only manufacture, sell or rent the units we also have the knowledge and experience to do the Ground Works, Civils, Supply & Erection/Set-up on site, Transportation, Connections to Water, Electrical and so much more.

With our expertise you can't go wrong. What makes us different from our competitors is that we appoint a dedicated Consultant to your project who will assist you through-out the duration of the project.

Your Consultant will assist you to determine which unit/s will be best suited for your specific need. They will assist you with constructing the perfect layout for your unit/s and document all the relevant requirements.

To make sure your requirements are met we prefer to schedule a meeting at your soonest convenience. Should a meeting not be possible due to distance or any un-foreseen difficulties we can arrange a conversance call or Skype at your request.
